

## How to Transfer a Registration & Title or Register & Title a New Boat

To register and title a new boat or transfer an existing boat into your name visit [gooutdoorsnorthcarolina.com](http://gooutdoorsnorthcarolina.com) and click “Vessel Registration & Titling”. Next you will see a Vessel Features pop-up. Click “Go To Site” button.

If you have previously registered a vessel or purchased a hunting or fishing license, click “Login” as you will already have a Go Outdoors account. If this is your first time registering a vessel and have never purchased a hunting or fishing license, click on “Enroll Now” to set up an account.

The screenshot shows the "Vessel Registrations" page on the Go Outdoors North Carolina website. The page has a green header with the logo and "Welcome" text. Below the header, there are two tabs: "Lookup Individual" and "Lookup Business". The main content area is divided into two columns. The left column contains a "Welcome to the Go Outdoors Online Vessel System" message, a "Login to:" section with three options (Register or Renew Your Vessel Online, Check Application Status, Obtain Replacement Registration Cards & Decals), and a "Login" button circled in red. Below the "Login" button is a "Help Logging In" link. The right column contains a "Welcome to Go Outdoors North Carolina!" message, a "This System Provides The Following Services:" section with a list of services, a "Locate or Create Your Customer Account" section, and a "Need Assistance?" section with a list of assistance options. The "Enroll Now!" button is highlighted with a red box.

First, start by clicking on “Click here to download a VL-1 Application”. Complete this form as it is required to be submitted with your proof of ownership documentation. The information contained within the Proof of Ownership Requirements section of the below page should help answer any questions you may have regarding what documents must be submitted.

The screenshot shows the 'Vessel Registrations' website interface. At the top, there is a navigation bar with the logo 'GO OUTDOORS NORTH CAROLINA Vessel Registrations', a shopping cart icon showing '\$0.00', and a user greeting 'Hi, John'. The main content area is divided into two columns. The left column is titled 'Start a New / Transfer Boat Registration Application:' and contains a warning icon with text: 'Do NOT start this process for a boat already registered in your name. You will be required to submit proof of ownership documentation for new applications.' Below this are instructions for transfer registrations and for new registrations. The form includes a question 'Are you registering a USCG Documented Vessel' with 'Yes' and 'No' radio buttons. A 'Transaction Type: (Required)' dropdown menu is set to 'Select One'. There are two input fields for 'Hull Identification Number (HIN):' and 'North Carolina Registration Number:'. Below these is a checkbox for 'No HIN / Pre-1972'. At the bottom of the form are two buttons: 'Continue (Submit)' and 'Start Over'. The right column is titled 'Vessel Registration & Titling Requirements' and contains two sections: 'Application Requirements:' and 'Proof of Ownership Requirements:'. The 'Application Requirements' section lists three bullet points, with the first one circled in red: 'Every new or transfer vessel registration and title request must be submitted with a Completed and Signed VL-1 Application Form. Click here to download a VL-1 Application. If the vessel was sold to multiple owners, each owner must complete and sign the VL-1 form.' The 'Proof of Ownership Requirements' section lists five categories of vessels, each with specific documentation requirements.

- **Are you Registering a USCG Documented Vessel:** Select “No” to this question unless your vessel is federally documented with the US Coast Guard. If you select “Yes”, you will be required to submit proof of documentation.
- **Transaction Type:** Any vessel 14ft in length or greater or classified as a personal watercraft (i.e., jet ski), will be required to select “Registration and Title”.
- **Hull Identification Number (HIN) & North Carolina Registration Number:** Enter the vessels 12-digit HIN number. If you are transferring a boat previously registered in North Carolina, you are required to enter the registration number. Only select the “No HIN/Pre 1972” box if you are registering a homemade vessel never before registered or a vessel manufactured prior to 1972 that does not already have a HIN assigned.
- **Continue (Submit):** Once you have completed the steps above, click “Continue (Submit)”.

If you need to add a Co-Owner, click “Add Co-Owner”.
